

## 2019 TROOP 137 FREEDOM TRAIL HIKE

All Scouts who hiked the Freedom Trail hike are eligible to purchase a Freedom Trail patch and a Freedom Trail medal as symbols of their achievement.

To honor the achievement of our Scouts, Troop 137 will purchase this Freedom Trail patch for all registered Scouts who complete the historic walk.

In addition, all Scouts who receive the patch can purchase this fine-looking Freedom Trail medal, created especially for the BSA, to add to their collection of Historic Trail Awards. This medal, when worn on your Class A uniform at Scout functions, will call attention to and symbolize your achievement.

This may be your only opportunity to purchase this medal, so please choose wisely.
